Some of the key topics that will be covered at the conference include:

- Intelligent tutoring systems
- Machine learning for education
- Natural language processing in education
- Adaptive educational systems
- Virtual reality and augmented reality for learning
- Educational data mining
- Computer-supported collaborative learning

## **Why Attend AIED 2020?**

Attending the AIED conference can provide numerous benefits for researchers, educators, and industry professionals alike. Here are just a few reasons why you should consider joining us in Ifrane, Morocco:

### **1. Stay up-to-date with the latest research**

The field of AIED is constantly evolving, with new discoveries and advancements being made all the time. By attending AIED 2020, you'll have the opportunity to learn about the most recent developments in the field and gain valuable insights from leading experts.

## **2. Network with peers and experts**

Conferences like AIED provide a unique opportunity to connect with like-minded individuals who share your passion for AI in education. You'll have the chance to discuss your research, exchange ideas, and establish new collaborations that can propel your career forward.

## **3. Present your work to a global audience**

If you've been working on a research project or have made significant contributions to the field, AIED 2020 is the perfect platform to showcase your work. Presenting at a prestigious conference like this can enhance your professional reputation and open up new opportunities for collaboration.

## **4. Explore the beautiful city of Ifrane, Morocco**

In addition to the conference, Ifrane offers a rich cultural experience. Known as the "Little Switzerland of Morocco," this enchanting city is a picturesque destination with stunning landscapes and historical attractions.

## **Registration and Important Dates**

Registration for the AIED 2020 conference is now open. To secure your spot, visit the official conference website and complete the registration process. Be sure to check the important dates for paper submissions, workshop proposals, and other key milestones.

Don't miss out on this opportunity to be part of one of the most prestigious conferences in the field of AIED. Join us in Ifrane, Morocco on July 10, 2020, and immerse yourself in the latest advancements in AI in education. We look forward to welcoming you!
