Row 1: Begin by making a slip knot and chain 70 stitches.

Row 2: Single crochet in the second chain from the hook and in each chain across. Turn your work.

Row 3: Chain 1, skip the first stitch, single crochet in the next stitch. Continue this pattern across the row until the last stitch. Turn your work.

Row 4-40: Repeat Row 3 until you have completed a total of 40 rows.

Row 41: Chain 1, single crochet in each stitch across the row. Fasten off and weave in any loose ends with the yarn needle.

This completes the main part of the cowl. You can try it on and adjust the length if needed by adding or subtracting rows.

Adding a Decorative Edge

If you want to give your half moon cowl a unique touch, you can add a decorative edge. Follow these steps to add a fancy border:

Step 1: Join the yarn to any corner of the cowl.

Step 2: Chain 2, double crochet in the same corner stitch. Double crochet across each row end and stitch of the cowl. When you reach the other corner, double crochet 2 in the last stitch to make a smooth turn. Continue this pattern around the entire cowl.

Step 3: Once you reach the end, slip stitch to join with the beginning chain 2. Fasten off and weave in any loose ends.

Your cowl is now complete with a beautiful decorative edge!
