**Alessandro had everything. A thriving criminal cartel. A drop-dead gorgeous wife. Powerful political connections. But he was about to lose it all to a betrayal from the most unlikely place.**

Alessandro Buffon was on top of the world. He had finally inherited a sizable portion of the Tigris Cartel and have taken over the reins of operation from the original founders of the cartel — his father, Signor Giorgio Buffon, and his father-in-law, Signor Carlo Matteo.

He also had the exquisitely beautiful Amelia Matteo as his wife, a marriage that consolidated the decades-long plan of both their parents to guarantee the perpetuity of the Tigris cartel.

Amelia on her part decided to focus on growing her bakery business in the heart of Napoli, but beneath the exterior of an independent, successful businesswoman, Amelia held a deep dark secret that completely unraveled after her father's sudden death, and led a life that was the complete opposite to her public demeanor.

While they were cold to each other before their arranged marriage, they'd both gradually come to acknowledge each other's strengths and abilities. With the sexual tension and mutual lust for each other acting as the lubricant, the couple was happy with each other for a while.

But all good things often came to an end, and it wasn't any different with Alessandro and Amelia.

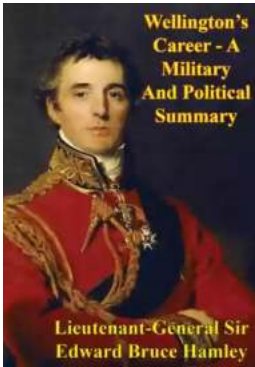

When the Tigris cartel began to incur heavy losses of their products, it took Alessandro everything he had not to tear his hair out in frustration and begin killing every suspected person. Worst of it all was that the enemy hell-bent on the cartel's destruction was completely anonymous.

He had no way of knowing who was behind to devastating attacks on the cartel's businesses. However, Alessandro was extremely smart and resourceful. One did not merely rise to the top of the Tigris cartel without some serious street smarts and brainpower.

But the answer he would find would completely rip him apart because the source of all his troubles would come from the person he least expected.

Will Alessandro and the Tigris cartel survive the aftermath of such a heart-rending betrayal?
