The Hilarious Encounter at the Cemetery

Crybaby

Late last night I woke up to the sound of someone crying. It was an eerie sound, and surprisingly loud as well. Although I wanted to get up and go check it out, I was a bit scared and tired so I ignored it by hiding under the covers. Today at breakfast I told my roommate about it. "That was me." She replied with a tone of fear in her voice. What a relief, I thought. "I was crying because I saw a... a thing watching you while you were asleep."
