“Corrupt the young. Get them away from religion. Encourage their interest in sex....”—Vladimir Lenin, 1921, How to Destroy the West

Going through each of the prophetic statements made by Lenin in 1921 shows why America is where it is today. Only 4 percent of Gen Z think about life through a biblical lens. To them, sexuality is more important than friends, family, or their faith.

Jeff Grenell’s goal in Gen SeXYZ: Love, Sexuality & Youth is to reach youth, youth leaders, families, and the church with a message that responds to the sexual revolution tsunami and restores sexuality to its God-given origins.

When the church failed to respond to the sexual revolution of the 1960s and the present one of the 21st century, its role in society crumbled. The media stopped censoring, the government redefined marriage, schools taught progressive sex education, and the list of genders grew.

Jeff provides practical knowledge and tools to launch a spiritual revolution of love and truth that will grow the church to reach younger generations and combat the loveless, godless sexuality ethic in our culture that's misleading them.
