## **Sample Test Questions and Answers**

1. What does a red octagon-shaped sign indicate?

Answer: A red octagon-shaped sign indicates a stop sign. When you approach this sign, you must come to a complete stop and yield to any oncoming traffic or pedestrians.

2. What should you do if you are involved in a minor accident with no injuries?

Answer: If you are involved in a minor accident with no injuries, you must move your vehicle out of the traffic lane, if possible, and exchange information with the other driver(s) involved. It is important to report the accident to the appropriate authorities if there is significant damage or if injury occurs.

3. When is it legal to pass another vehicle on the right?

Answer: It is generally illegal to pass another vehicle on the right, except in situations where there is a dedicated right-turn lane or when the vehicle ahead is making a left turn and there is sufficient space to pass safely on the right.

Passing the driver's license permit test is a crucial step towards obtaining your driver's license.
