In Life with a View: A Turkish Quest is the story of Toni Sepeda and her partner Cralg, Americans who fall in love with Black Sea Turkey and decide to build a house with a view of the sea on the coast. Their heads filled with the legends of those who came before them-Ulysses, Jason and the Argonauts, Xenophon-they draw parallels between the struggles of the antique heroes and their own modern quest to overcome unforeseen obstacles, battle for water and electricity, and finally persevere and even flourish in their new home.
