A soft and soothing good night journey through an ocean filled with sleepy sea creatures, perfect for bedtime in the summer or year-round.

The sun is setting. The waves are gently lapping at the shore. It's time for all the ocean creatures to rest. Whales, turtles, dolphins, and more drift and doze. And as the tide pools catch the light of the moon and the stars glowing above, a mother and her baby listen to the soft sounds of the ocean lullaby . . .

Shhh, hush. Shhh, hush. The ocean's soothing song. Shhh, hush. Shhh, hush. We can sing along.
