“What unites us in principle is the common good of the sport, and with this in mind I do what I can for others – it all oils the cogs of the sport. Some will see me as a know-all, yet I am a quiet little man making my mark, that's all. What is true is that I have made a life study of pigeons, and as a teacher I like to impart knowledge and experience... My aim is purely to tell it as it is to me, and if this is illuminating to others, then so be it.”
