### An Ancient Enigma

Set in an alternate timeline during the height of World War II, the *Destroyermen* series follows the crew of the USS *Walker* and her sister ship *Mahan*.

Transported to a dangerous and mysterious new world, Captain Matthew Reddy and his crew find themselves in a brutal war against the fanatical Grik and the enigmatic Lemurians.

In *River Of Bones*, Anderson introduces a new anomaly that could change the course of the war. The crew of the *Walker* sets out on a perilous journey up a treacherous river, known as the River of Bones, in search of answers. As they navigate through dangerous territories, they encounter ancient civilizations and

unexplained phenomena that challenge everything they thought they knew about this strange world.

## **Epic Battles and Engaging Characters**

Anderson's skillful storytelling brings the epic battles to life, making readers feel every moment of the intense conflicts. The vivid descriptions and carefully crafted action sequences keep the momentum going throughout the book, leaving readers breathless with anticipation for what comes next.

What makes the *Destroyermen* series truly captivating are its well-developed and relatable characters. Captain Matthew Reddy, Lieutenant Sandra Tucker, and the rest of the crew face not only physical battles but also personal challenges and moral dilemmas. Anderson delves deep into their emotions and motivations, making readers feel connected to their struggles and triumphs.

## **The Trail of Secrets**

As the crew progresses up the River of Bones, they encounter ancient ruins and discover clues that lead them to a hidden truth. The ancient anomalies they encounter hint at a deeper, long-forgotten history of this world. Anderson masterfully weaves together the threads of mystery, leaving readers hungry to unravel the secrets that lie within.

The exploration of these ancient ruins also raises existential questions about the nature of humanity and the consequences of unchecked ambition. Anderson prompts readers to ponder the ethical implications of their actions and the impact on the balance of power in this alternate world.

## **The Future of the *Destroyermen* Series**

With *River Of Bones*, Taylor Anderson once again proves his talent for crafting captivating and immersive storytelling. The series continues to evolve and expand, keeping fans eagerly awaiting the next installment.

If you're a fan of historical fiction, military sci-fi, or simply enjoy a well-crafted adventure, the *Destroyermen* series is a must-read. Grab your copy of *River Of Bones Destroyermen 13* and embark on an unforgettable journey through time, war, and ancient anomalies.

**Get ready to be enthralled!**

The crew of a WWII destroyer face their greatest challenge yet as they try to survive in a strange new world in the next thrilling book in the New York Times bestselling series.

Commander Matt Reddy and his crew are afraid it may finally be the end of the USS Walker. Ever since their ship was transported to another world, and they became embroiled in a deadly conflict between the Lemurians and the vicious

Grik, the Walker has been taking a pounding. With Walker out of commission for repairs, Reddy takes command of a different ship and joins a desperate battle to block the Grik swarm.

Meanwhile, the humans and their allies face a deadly second front in the Republic to the south. All of Reddy's forces are committed, and there's no turning back. Either they'll win—or lose—everything...
