

# SimuTools 2020: Exploring the Cutting-edge of Simulation Technology in Guiyang, China

The 12th EAI International Conference on Simulation Tools and Techniques (SimuTools 2020) is set to take place in Guiyang, China on August 28-29. This highly anticipated conference brings together researchers, engineers, and academics from all over the world to share their knowledge and insights on the latest advancements in simulation technology.

## Why SimuTools 2020 is a Must-Attend Event

SimuTools has earned a reputation as one of the leading conferences in the field of simulation tools and techniques. With each edition, it continues to attract top-notch professionals and experts who are passionate about advancing the field.

The 2020 edition of SimuTools promises to be even more exciting and informative than ever before. Attendees can look forward to a diverse range of topics and presentations, covering areas such as modeling and simulation of complex systems, simulation-based optimization, machine learning and artificial intelligence in simulations, and much more.

## Simulation Tools and Techniques: 12th EAI International Conference, SIMUtools 2020, Guiyang, China, August 28-29, 2020, Proceedings, Part II (Lecture Notes ... Telecommunications Engineering Book 370)

by Philip E. B. Jourdain(1st ed. 2021 Edition, Kindle Edition)

X-Ray for textbooks : Enabled

One of the unique aspects of SimuTools is its emphasis on practical applications. The conference aims to bridge the gap between theory and practice, providing attendees with valuable insights into real-world applications of simulation tools and techniques. This applied focus makes SimuTools an invaluable event for anyone working in the field.

## **Guiyang: The Perfect Host City**

Guiyang, the capital city of Guizhou province in southwest China, serves as the ideal host for SimuTools 2020. Known for its stunning natural landscapes and rich cultural heritage, Guiyang offers a unique backdrop for the conference.

Conference participants will have the opportunity to explore the city's many attractions during their downtime. From the breathtaking Huangguoshu Waterfall, one of the largest waterfalls in China, to the tranquil Qianling Park and the vibrant Shunqing Ancient Street, Guiyang has something for everyone.

Additionally, Guiyang is a hub for technological innovation and development. The city's strong commitment to advancing simulation technology makes it the perfect location for SimuTools 2020. Attendees can expect to engage with like-minded professionals and explore collaborative opportunities during their stay.

## **Keynote Speakers and Highlights**

SimuTools 2020 boasts an impressive lineup of keynote speakers who are renowned experts in their respective fields. These speakers will share their insights and experiences, providing invaluable knowledge to conference attendees.

Furthermore, the conference program includes a variety of workshops, tutorials, and interactive sessions designed to foster learning and collaboration.

Participants will have the chance to engage with fellow professionals, exchange ideas, and stay up to date with the latest advancements in simulation tools and techniques.

## **How to Register for SimuTools 2020**

Registration for SimuTools 2020 is now open. To secure your spot at this prestigious event, visit the official conference website at [www.simutools2020.com](http://www.simutools2020.com) and complete the online registration form.

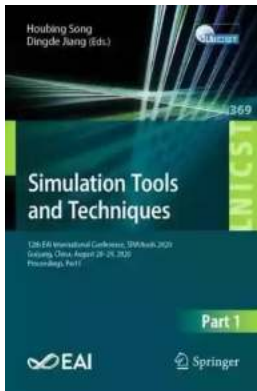

Early bird registration is available, offering discounted rates for those who register before a certain date. It is advised to register early to guarantee your place and take advantage of the reduced fees.

Once registered, you will receive a confirmation email containing all the necessary details, including venue information and accommodation options. Make sure to book your accommodation well in advance to ensure a convenient and comfortable stay during the conference.

## **Don't Miss Out on SimuTools 2020**

SimuTools 2020 is a premier event for simulation professionals, researchers, and enthusiasts alike. With its comprehensive program, esteemed speakers, and captivating host city, it promises to be an unforgettable experience.

Don't miss out on the opportunity to expand your knowledge, network with industry leaders, and explore the fascinating world of simulation technology. Register for SimuTools 2020 today and join the global community shaping the future of simulation tools and techniques.
