North Beach is San Francisco's exuberant Italian neighborhood, a raffish slice of life, long known as the city's Bohemian Quarter, where topless dancing began just a block away from the City Lights Bookstore, still keeping the spirit of the Beat Generation alive, the district that embraced jazz joints, comedy clubs, coffeehouses, "Beach Blanket Babylon," and, best of all, restaurants--you wouldn't go hungry in North Beach! In 1981, the authors wrote a best-selling

insiders' guide to the food and wine of this fabled district, with recipes from its leading chefs, and now present a revised version, including more recipes as well as reminiscences of legendary Italian chefs, tips on cooking and wine, and information on restaurants.

Brian St. Pierre is the author of 10 books on food and wine, and a contributor to the 75th Anniversary edition of "The Joy of Cooking." Mary Etta Moose ran the kitchens at the Washington Square Bar & Grill and Moose's restaurants in North Beach for 30 years.
