Step-by-Step Instructions

Follow these instructions to create your very own Diamond Bobble Cowl:

1. **Foundation Chain:** Begin by creating a foundation chain of the desired length for your cowl. Make sure the chain is long enough to comfortably wrap around your neck.
2. **First Row:** Single crochet into the second chain from your hook. Continue single crocheting across the entire row.
3. **Second Row:** Chain one and turn your work. Single crochet into the first stitch, and double crochet into the next stitch. Repeat this pattern across the row.
4. **Bobble Stitches:** Chain one and turn your work. Single crochet into the first stitch, then create a bobble stitch on top of the double crochet stitch from the previous row. To make a bobble stitch, yarn over, insert hook into the designated stitch, yarn over again, pull through, and then yarn over and pull through two loops. Repeat this process four more times, always using the same designated stitch, until you have six loops on your hook. Finally, yarn over and pull through all six loops to complete the bobble stitch. Repeat this pattern across the row.

5. **Repeat Steps 3 and 4:** Keep repeating steps 3 and 4 until your cowl has reached the desired width. Remember to alternate between the second row and the bobble stitches row.
6. **Finishing:** Finish your cowl by crocheting a final row of single crochets. Bind off and weave in any loose ends using the tapestry needle.
7. **Optional Embellishments:** If desired, you can add decorative buttons, charms, or tassels to your cowl to give it a personalized touch.
