Elle -

He's the guy with the world against him and I'm the girl they all love to hate. Our reputations suck for two very different reasons and where he's working to do something about it, I'm working to keep my head down and not draw attention to myself.

Falling for Jackson would be a mistake.

Falling for him would put me right back in the public eye, somewhere I swore I'd never be again.

But what can I say? I'm a sucker for trouble.

Jackson -

I wasn't expecting to find a girl like Elle. She surprised me and without a doubt, she's my end game.

Long blonde hair and the softest, big, blue eyes; she's what dreams are made of,

but on the inside, there's so much more. She's hiding something – something she's ashamed of.

I need to know her more than I need to breathe, and one thing is for sure, I won't stop until she's mine.

She thinks I'm trouble, and she'd be right, but maybe trouble is exactly what she needs.
