"SECRETS LOST, SECRETS FOUND EIGHT PLUS ONE, HEL UNBOUND"

In the aftermath of the Song of Unmaking, a new and terrible breed of evil has begun ravaging Bitterland and Greenland. Arthur makes a bold bid for the crown in hopes of finally arming the Hidden Lands against the Devourer's dark plans. But Kr'Nunos has taken no chances, sowing seeds of an insidious deception into the fragile unity of the Three Abbeys. Karac Tor shall be attacked from without and defiled from within. Meanwhile, Gabe goes on a daring rescue mission deep

into the exotic Highlands, but what he finds there will cost him more than he knows.

Yet a still larger tale is unfolding, as Karac Tor is only one of the interconnected Nine Worlds. Long ago, the famed Lost Prophet fled between worlds to become enmeshed in the legends of ancient native America, biding his time until it was safe to return. Now, centuries have passed and plans have gone awry. It's up to Reggie, Odessa and her children to piece together clues on Earth. Can the final oracle be released in time?

The special 10th Anniversary Edition now includes a running synopsis for each book, a complete glossary, and nearly 80 custom sketches spanning the entire series.
