But the stars hold more than beauty and wonder for Amelia. They hold answers to questions she never even knew to ask. As she embarks on a quest to uncover the truth about her origins, she unravels a web of secrets, magical beings, and a destiny she could have never imagined.

St Clair masterfully weaves together elements of fantasy, romance, and adventure to create a world that captures the imagination. Her detailed descriptions bring the enchanting setting to life, making the reader feel as if they are walking alongside Amelia as she unravels the mysteries of Bonfire.

Discovering Love and Friendship

Amelia's journey is not one she undertakes alone. Along the way, she encounters a captivating cast of characters, each with their own unique story to tell. From the charming and enigmatic Elias to the feisty and loyal Olivia, Amelia forms deep connections that will forever change her life.

As friendships bloom and love ignites, St Clair expertly explores the complexities of human emotions. She delves into themes of trust, sacrifice, and the power of friendship, ensuring that readers not only become invested in the captivating plot but also in the lives and hearts of the characters themselves.

A Mesmerizing Tale of Self-Discovery

At its core, "When Stars Come Out" is a story of self-discovery. Amelia's journey mirrors our own inner desires to uncover our true potential and find our place in the universe. St Clair beautifully captures the struggles and triumphs of personal growth, inspiring readers to look within and embrace their own unique journey.

With every page, St Clair leaves us yearning for more, deftly building suspense, and taking us on an emotional rollercoaster that grips us until the very last word.

Her thought-provoking prose prompts reflection and invites readers to dive deep into their own hopes, dreams, and longings.

From the brilliant mind of A Touch of Darkness's bestselling author Scarlett St. Clair comes a YA crossover in a darkly unique fantasy world.

Anora Silby can see the dead and turn spirits into gold coins, two things she would prefer to keep secret as she tries to lead a normal life at her new school.

After all, she didn't change her identity for nothing.

Hiding her weirdness is just one of many challenges. By the end of her first day, she's claimed the soul of a dead girl on campus and lost the coin. Turns out, the coin gives others the ability to steal souls, and when a classmate ends up dead, there's no mistaking the murder weapon.

Navigating the loss of her Poppa, the mistrust of her mother, the attention of gorgeous and enigmatic Shy, and Roundtable, an anonymous student gossip app threatening to expose her, are hard enough. Now she must find the person who stole her coin before more lives are lost, but that means making herself a target for the Order, an organization that governs the dead on Earth—and they want Anora and her powers for themselves.
